NOVEL CONCEPTS IN INNATE IMMUNITY

10–13 June 2025
Tübingen & Digital

Your presentation at NCII 2025

There is still time left to contribute to the programme of the **6th Novel Concepts in Innate Immunity (NCII)** conference in Tübingen and actively contribute to the meeting by submitting abstracts for oral (short and lightning talks) and poster presentations relating to your current research. All oral talks will be in plenary session and compete for prizes. The same applies for poster abstract authors who will also be able to highlight their poster in a 1 min “poster slam”.

So not miss this opportunity to present your latest results to an international audience, get direct feedback from experts and earn recognition for your hard work! Both established and junior researchers are welcome to present.

You can find all topics and [submission guidelines](#) on the submission page.

Deadline for abstract submission: 2 March 2025

[Submit your abstract](#)

Secured your ticket yet?

Now is the time to sign up: you can benefit from the **early bird rates until 3 March 2025**.

With an impressive line up of [confirmed speakers](#) and a comprehensive [scientific programme](#) on the cutting edge of research, NCII 2025 promises to be a key event in immunological research and knowledge transfer this year.

Social programme

Complement your conference experience with the social dinner at the Nackawa restaurant, overlooking the Neckar river. Combining local tradition with contemporary cuisine this establishment will provide the perfect venue to wind down after an intensive conference day and to get in contact with the other participants in a relaxed atmosphere.

Book your seat now for this excellent networking opportunity!

[More information](#)

We are looking forward to your participation and your contributions!

Yours sincerely,

Prof. Alexander Weber
Conference chair
